

Founders Day

This year the Kenosha Unified PTA Council is excited to host the 66th Founders Day Dinner in celebration of our 100th year of PTA in Wisconsin. Founded in 1910, Wisconsin PTA has been serving the children and families of Wisconsin for 100 years. It is a good time to reflect and take pride in our many accomplishments and to renew our commitment to be a powerful voice for all children. Our Founders Day Dinner will honor the past with many traditions, honor the present as we recognize our scholarship and award recipients and look to the future as we welcome the new chancellor of UW-Parkside, Dr. Deborah Ford, as our keynote speaker.
