

# **Tremper's Parent Teacher Student Association**

## **Why Join?**

**Parents.....** We need **YOU** to be a part of our PTSA.

You are the strength of our Association. **Joining the PTSA is a great way to stay connected with many of the happenings in your child's school life!** At our meetings, you have the opportunity to meet other parents and a school administrator is always present to address concerns and provide information as to what is happening at Tremper High School. Each month we have a guest speaker who provides us with information on a topic that the group has selected. We are also provided with information regarding the school district.

**Teachers...** We need **YOU** to be a part of our PTSA. Even if you can't come to our meetings, we are always looking forward to hearing your concerns and ideas to make Tremper an even better place to learn!

There are also some great benefits for our teacher members:

- Goodie bags at each of the conferences (only given to PTSA members!).
- Volunteers to help with classroom activities.
- Additional opportunities for communication with the parents and families of Tremper High.

**Students...** We need **YOU** to be a part of our PTSA. We want input from the students. Your voice will be heard! Here are also some great benefits for our student members:

- Scholarship opportunities are available at the local and district levels (*for Student PTSA members who join by 11/16/2015*).
- Volunteer opportunities---great way to get service hours!
- Student of the Month Awards: students receive a gift certificate to the school store, or a one-month parking pass for a reserved parking spot in the teacher parking lot.
