Greetings!

I hope you are having a great summer and that families have had some time to enjoy together, and students have had a bit of time to relax! The summertime has always been a favorite time for me, as you can usually find more spontaneous things to do in the warm weather. Over the summer, if you have not been by school, you should know that many people have not taken a break and that we are getting ready for you this September. Our rooms and hallways are being cleaned, construction is at full speed, and planning for the upcoming school year is in full swing. I want the rest of the summer to go very slow for all of us but, to be honest, I cannot wait for the start of the school year!

In this newsletter, there is a lot of information for you and I hope you can take some time to look at it all. A very important highlight for you to focus on is registration. Registration this year takes place on the 17th and 18th of August from 1 p.m. to 6 p.m. This is a time where you can get your ID pictures taken, receive your schedule, purchase a yearbook, and more. In fact, this year, we will be having an activity fair during registration so families can see all activities/sports/clubs that Tremper has to offer for student involvement. Students will have an opportunity to sign up for activities and get started on them right away. Please visit our booths and get involved! Finally, please come to registration with your online portion of registration completed before hand. You can actually do that now! This will expedite your process and make the registration process streamlined and more enjoyable.

Take care, be safe the rest of the summer, and we will see you soon!

Sincerely,
Steve Knecht
Principal, Tremper High School
2017-2018 KUSD Online Enrollment
KUSD will again be requiring online enrollment of all students using the Infinite Campus Portal. At this time, the Portal is open to enroll your students. Please visit the Tremper homepage at http://tremper.kusd.edu and click on the link that says “Infinite Campus Parent and Student Portal” on the left side of the page to begin the registration process. **Infinite Campus in only supported with Google Chrome and Firefox browsers. It is very important to disable pop-ups to successfully complete your registration.**

After you submit your online application, please pay your fees using the “Online Payments” button on the left side of the Tremper Homepage.

High School Base User Fee: $67.00  
High School Parking Permit Fee: $50.00

To complete registration, you/your child must attend Tremper on one of the dates above after you have enrolled online. After registration is complete, you/your child will be able to pick up their 2017-2018 student schedule.

This year during Registration, we will be holding an activity fair! Tables will be set up with representatives from many different sports and clubs. This is a great opportunity for your student to check out different sports and activities that they would like to sign up for. Studies have shown that students that are involved are more successful in high school. Please visit the activity fair in the last section of registration.

Some important things to remember about attending registration:

♦ It is highly recommended that you complete the online enrollment and pay your fees online before your building registration. This will **SIGNIFICANTLY** cut down on your wait time at registration. If possible, please print a copy of your payment receipt and bring it with you to the building registration to expedite the check-in process.

♦ If you have had a change of address, you will need to upload proof of residency while you are completing your online enrollment. Acceptable forms of proof of residency are:
  ♦ Current WE Energies bill
  ♦ Current title/mortgage information
  ♦ Current lease agreement

♦ Computer stations will be available during the onsite registration process for parents that still need to complete the online enrollment expectation.

♦ Checks in the exact amount only will be accepted for payment. Student name/ID number should be on the check memo line.

♦ The following booths will be available at registration:

  * Bus passes/bus routes
  * Athletics
  * Yearbooks
  * Parking permits
  * Counselors

  * Fee payments
  * Library book/textbook return
  * Nurse
  * Student Schedule pick-up
  * Student activities, clubs, and sports
Tremper High School
Proudly Presents:

Freshman Parent and Student Orientation

Thursday, August 17, 2017

Presented by: Cliff Johnson, Dean of Freshmen Academy

Where: Tremper Cafeteria

When: 5:00 p.m. (free meal included!)

Who: All incoming Freshmen and their parents, and all students and parents new to Tremper.

FREE CHILD CARE PROVIDED!

Registration for the 2017-18 school year will begin at 1:00 p.m. on this day. Please plan on attending registration before this event to have your student receive his/her schedule of classes. After dinner students can attend building tours with Tremper Link Leaders and will be able to look for their classrooms, while parents will attend an informative presentation in the auditorium.

The following topics will be covered:

♦ The ins and outs of Tremper.

♦ Available resources for parents and students.

♦ The roles of guidance counselors, how to choose classes, and graduation requirements.

PLEASE RSVP WITH THE NUMBER OF PEOPLE ATTENDING AND THE AGES OF ANY CHILDREN THAT NEED CHILD CARE DURING THE PROGRAM BY CALLING 262-359-2201 BY FRIDAY, AUGUST 11.
On Thursday, August 17 as parents attend the Freshman Parent Orientation at 5:00 (as advertised on the previous page), your freshman student can attend our “Freshman Mini-Camp”! During this camp, students can take part in school building tours coordinated by our Link Crew Leaders. 2017-18 registration will begin at 1:00 on this day. Be sure to complete your registration prior to attending this event so your child can receive their schedule and find their classrooms during the tour!

Freshmen receive a special orientation on the first day of school led by our Link Crew leaders. Link Crew is a freshmen transition program that is designed to help students make the transition from middle to high school. The main focus of Link Crew is to “link” freshmen with successful upperclassmen, thus creating a sense of comfort for the incoming students. On the first day of school, only freshmen and Link Crew Leaders will be in the building for the first part of the day. Students will participate in assemblies and small group sessions in order to break the ice, tour the building, and connect with Tremper. All freshmen must report to the auditorium by 7:30 a.m. on Tuesday, September 5.

Student leadership and active involvement with clubs and activities not only creates lasting memories, but students also learn life skills through meaningful experiences that cannot necessarily be taught in a classroom or learned in a book. Furthermore, we take great pride in the rich diversity of our student body and of those that work here. Our diversity programs bring people together for cultural understanding, clarity of a variety of viewpoints and increased advantage for leveraging different skills.

Students should get involved in an extracurricular activity. Activities help make a big school feel smaller. Tremper offers a wide range of clubs, activities and sports teams. An outline of the athletic season starting and ending dates and clubs are included in the student handbook that students will receive the first week of school.

Student handbooks will be distributed during the first week of school. Important school information is easily accessible in the handbook. Teachers typically post their class expectations in their individual rooms as well.

Improving Academic Success

There are over 150 employees at Tremper that deliver the necessary service and provide caring education to our students. We are always available to help you with questions and concerns. Shortly after the start of the school year, the prep periods for each teacher will be published to notify you of the best times we are available. You can also connect with any staff member via email. We also maintain a current website with additional methods of how to contact a teacher. Please don’t wait for parent conferences as the only means to speak with us. We welcome open communication for any questions or comments you have at any time.

Attention Seniors

It is extremely important that students are keeping track of their credits and the graduation requirements that need to be met in order to graduate in June. Students who do not meet all of their graduation requirements by the end of senior year, will not be able to participate in graduation ceremonies or receive their diploma. No student will be eligible to participate in ceremonies if he/she is deficient of any credits. Please contact your counselor if you have failed, or end up failing, a course during your senior year so that you can make an appropriate plan to earn all of your credits in time for graduation.

Attendance

Attendance monumentally impacts student academic success. Good attendance is truly a habit necessary for life. When a student is sick, parents or guardians are to call the Attendance Office at 359-2222 the same day. The same phone number can be used after hours. If a student needs to leave during the school day, the student must bring a note from his/her parents to the Attendance Office and sign out.

A CLOSED CAMPUS POLICY is enforced for all students. Students are not permitted to leave the campus or engage in non-school related activities during the school day without explicit permission from the principal or designee, and parent/guardian. Only select students participating in the school-approved Youth Options, Student Partnership, or Student Release Program may leave campus during the school day by displaying their student ID card and exiting through Door #1 or #27.

Dance Participation Criteria

Tremper High School prides itself on valuing responsible and respectful behavior of all participants. Therefore, the criteria for attendance to all Tremper High School dances are as follows:

♦ No more than 5 truancies/tardies combined
♦ No major discipline issues (including suspensions)
♦ No unserved detentions

HOMECOMING–all of the above for 1st quarter
PROM–all of the above for 3rd and 4th quarters.

Lockers

All students will have their own lockers.Locker locations are assigned by school officials. Backpacks are permitted for students to carry their school materials and personal items.

STUDENT LOCKERS, CARS (parked in Tremper parking lot), AND BACKPACKS ARE SUBJECT to be searched by the Tremper Administration when reasonable suspicion exists of possession of illegal items or suspicious behavior.
Parent Permission Form

Parent Permission must be confirmed for the following student opportunities before a schedule can be changed:

- Youth Options
- Student Partnerships
- Student Release
- Teacher Aides

A copy of the Parent Permission form for any release will be available at registration and must be completed and submitted before schedule changes will be made.

Yearbook Sales and Distribution

2017 yearbooks will be here by summer registration! We will begin distributing during registration, but they can also be picked up in the yearbook room (231) when school begins. Try to remember your receipt. If you did not pre-order a book, we will have a few extra available for purchase at $80 each.

During registration, as usual, we will also begin pre-sales for the 2018 yearbook. The price, at registration only, will be $70 if paid with cash/check. Credit cards will not be accepted for yearbook payment during registration. If you would like to pay by credit card, please visit the Tremper HomePage and click on the link at the bottom that says “buy your yearbook today”. After registration, prices will continually increase until yearbooks arrive the following year. Save money by ordering early!

School Lunches

Students can elect to deposit money in advance and withdraw lunch purchases from their account. Deposits will be able to be made into lunch accounts during registration. When purchasing a lunch at Tremper, students enter their student ID number at the register. All students that received free or reduced lunches during the 2016/2017 school year will continue to receive lunch until the beginning of October, or until your new application has been processed. New forms will be mailed to students that previously qualified for free/reduced lunches.

If you wish to deposit money in your child’s school food account, go to: www.myschoolbucks.com.

For questions on your child’s lunch account, please call 359-6382.

Parent Communication

One way that we communicate with our families is through School Messenger. School Messenger is a voice message that goes to the main phone number you listed in Infinite Campus for your son/daughter. If your phone number has changed, it is important that you change it in Infinite Campus.

We will also be using the Infinite Campus Messenger system to communicate important information to parents. This messenger system will send a message to the email address that you used to register your student in Infinite Campus. It is important to check this email frequently to receive updates from Tremper. If you change your email address, please update Infinite Campus by logging in and making changes.

City and County Bus Passes

You may be eligible for a free city bus pass if you are two or more miles from school. Students that live more than 2 miles, but live outside of the boundary will not qualify for a free bus pass. Check at the transportation table during registration to see if you are eligible for a bus pass. If you are not eligible, you may purchase a monthly student bus pass for $35.00 in the Main Office a few days before the beginning of each month. The pass is valid only on regular school days for trips to and from school.

County bus and special education students will receive a letter containing their route and bus number. These letters need to be picked up at the transportation table during August registration.
Students who drive to school are reminded that the parking fee is $50.00. Space for student parking is limited and students enrolled in school approved special programs will have first priority followed by seniors and juniors. Senior Renaissance members, who achieved Premier status during the 4th quarter of their junior year, will have an option to purchase a parking sticker for the west lot.

Student Vehicle Registration Form and mandatory information is needed before a parking pass can be issued. Please see the last page of this newsletter for the form. If you have any questions, call Student Leadership at 359-2213.

**Library Learning Commons**

Your student can check their library record online!!! Students need to simply go to [http://tremper.kusd.edu](http://tremper.kusd.edu) and click on Library Resources. Students can click the “log-in” button in the upper right corner and type in their active directory (ID# and password) credentials. Click on the “My Info” tab. Books, overdue materials and fines will be indicated.

The Library Media Center & Learning Commons will be open Monday—Friday from 7:00 a.m.—3:30 p.m.

The library phone number is 262-359-2239.

There will be a table set-up during registration to return library books, textbooks and any other materials that are overdue.

**Athletics**

The Athletic Department will have a representative to answer all of your questions regarding sports teams at Tremper. At this table you will be able to:

- Pay your athletic fees
- Pick up schedules for 2017/2018 sports
- Check on a student’s physical date
- Get answers to questions regarding forms required by KUSD

**Pictures will be taken during registration for school IDs and school pictures. Picture packets will be available during registration to place an order.**

**Tremper Newsletter**

The August Registration Newsletter is the only newsletter that will be sent to your home. A voice message will be sent to you when future newsletters are complete and available on the Tremper Homepage. In most cases, a bi-monthly newsletter will be available at the beginning of every other month. There may be an exception when a holiday lands at the end of the month.
Registration Schedule Changes

Occasionally students may need to make modifications to their assigned schedules. Counselors can change schedules for an academic reason or make modifications so a student can graduate on time. Please see your counselor during registration to make these changes. Do not wait until the first day of school! Counselors will not modify or edit a schedule to accommodate a convenience change, including changing a teacher or switching a class to a different period.

Dear Parent/Guardian:

The K-12 revised Family Life Objectives were approved by the Kenosha Unified School Board on May 23, 2000 and the curriculum was approved by the Kenosha Unified School Board on June 22, 2004.

Copies of all of the above are available for your review in all school libraries, at the Library Media and Instructional Technology Center and at the Department of Health and Physical Education. The Library Media and Instructional Technology Center and the Department of Health and Physical Education are located in the Educational Support Center at 3600 - 52nd Street.

Below is a form which must be returned to your building principal only if you do not want your child(ren) involved when the Family Life Objectives are being taught.

Respectfully,
Bryan Mogensen
Coordinator of Athletics, Health, & Physical Education, Recreation &
Senior Center

FAMILY LIFE OBJECTIVES KINDERGARTEN - GRADE 12

The Kenosha Unified School District will be teaching Family Life Objectives to all students in our system as part of our Kindergarten through Grade 12 Health Curriculum.

You have the right to request exemption and/or modifications of the curriculum through your building principal if you do not want your child(ren) to participate when Family Life Objectives are being taught.

Return to building principal only if you DO NOT want your child(ren) involved when the school nurse presents the growth and development Family Life Objectives in grades 4, 5, 6 and 7; or when the health instructor presents the Family Life Objectives in middle school and grade 10.

I do not want my child(ren) involved when the school nurse presents the growth and development Family Life Objectives in grades 4, 5, 6 and 7; or when the health instructor presents the Family Life Objectives in middle school and 10.

Medications at School 2017-2018 School Year

Hello parents, guardians, and students,

Here are a couple of reminders regarding medications kept at school

- ALL medications kept at school must be accompanied by a signed medication authorization form. Over the counter medications require parent/guardian signature. Prescription medications require both parent/guardian signature AND health care provider signature.
- Medications that must be given on a scheduled basis are only permitted if they must be given four or more times per day OR are ordered as a lunchtime dose. Medications ordered daily in the morning are to be given at home before school.
- All medications must be stored in the health office with the exception of EPI-PENS, and Inhalers. These medications may be carried IF the health care provider indicates this on the medication authorization form.
- When providing medications they MUST be in their original, unopened container, NOT be expired, and the smallest quantity possible (Please do not send a 500 count bottle of Advil for instance).
- Medication forms can be found by going to the Tremper home page and clicking the departments tab. There is a nurse/health information tab that can be clicked and you will find the medication authorization form on this page.

Thank you and I look forward to a happy and healthy school year,

Lisa Hackeloer RN, BSN, Tremper Nurse

COMPUTER USE EXPECTATIONS

Tremper High School provides computer resources to enhance and support learning and teaching. Students are expected to exercise their privilege to use these resources in a manner consistent with the existing KUSD school board policy #6633 and all Federal, State and Local laws. Any activity that is unethical, illegal, disruptive, offensive or mischievous is inappropriate and will result in consequences. The student is ultimately responsible for his/her conduct on the system, and will be held accountable for his actions while using any facet of the computer system at Tremper.

Students are prohibited from doing the following on school computer equipment:

- Damaging, changing, or tampering with any part of the school’s computer system, hardware, or default settings
- Engaging in non-academic uses of the computer system, such as game playing, social networking, chatting, etc.
- Accessing other user’s files or accounts
- Bypassing or attempting to bypass the security measures on any school computer
- Bringing food or drink in the vicinity of the computers or computer-related equipment

LIBRARY LEARNING COMMONS
Library Media Teacher ~ Lorena Danielson (lodaniel@husd.edu)
Library Secretary ~ Virginia King (vking@husd.edu)
Library Phone number 262.359.2239

The Tremper Library Learning Commons is where learning evolves and because the library media center serves a multitude of purposes, it is not a silent place. However, proper behavior is expected. Students may carry on quiet, appropriate conversation but nothing that interferes with the center’s learning environment. Students who do not exhibit appropriate behavior will lose their library privileges.

The Library Learning Commons Staff can help you with the following:

- Finding books in the library, Overdrive, and interlibrary loans
- Using computers, printers, media devices
- Checking out or renewing library materials, Nooks, Kindles, iPods, laptops, video cameras, still cameras
- Editing and production
- Researching material on the Internet
- Researching material on the online databases
- If you have a problem with a book, overdue notice, research question, etc.

Rules of the Library Learning Commons:

- All school rules of conduct apply in the Library Learning Commons. All behaviors are prohibited which interfere with the educational process for the students present in the Library Learning Commons.
- Students are not allowed to take makeup tests in the Library Learning Commons.
- Quiet talking is allowed. Anything beyond a reasonable level will result in the student being asked to leave and return to his class.
- Students may print 10 pages per day (additional pages cost $0.10 each).
- Sleeping is not allowed.
- Cell phones, iPods, CD players etc. are only allowed if a student is doing an assignment or listening to an audiobook. This is in accordance with KUSD school board policy #5435.
- Destroying or defacing library materials or equipment is inappropriate and is considered destruction of school property.
- Any student who does not follow the rules will be subject to disciplinary action. A student who is disciplined in the Library Learning Commons will receive warnings, detention(s) and/or lose Library Learning Commons privileges, as well as be referred to the office.
In order to receive a parking pass for the Ameche parking lot or West staff parking lot, you must provide the following information:

- Complete the following Student Vehicle Registration Card
